## **SUMMERTIME, SUMMERTIME**

Bill Beinert

Summertime, Summertime! It was hot and humid again as Eighty-Three Travelers and their guests visited St. Hubert's Lodge for the first time. Hot and humid ruled the day and it was a long trek for us walkers. Fortunately, there was plenty of water and shade, but I was happy to have a clean dry shirt waiting in the car. The 19 station course is laid out in the form of a tree, with a trunk and side branches. The signage could use some improvement. Many of us got a bit lost and had to backtrack more than once.

Resident target setting guru, Tom Fiumarello, promised us that none of the presentations were "over the top", but he must have forgotten the left bird on station Two. That bird went way up, hidden by trees until it hit its apex, then dropped about 30 yards out, showing mostly edge with a slight turn 20 feet off the ground. My squad only managed 1 hit on it during regulation and only 2 or 3 more after we threw another box at it (it was our last station). Overall, the birds were "Travelers Tough" – the HOA of 89 and median of 66 testify to that.

Station Six was three true pairs, quartering out from the right and the left, crossing pretty near the sweet spot (twofers happened!). It was your choice which to shoot first.

Station Eleven featured some long birds out over the field. First one came in moving to the left, then curled down to the right. The report was a less high left-to-right arching crosser.

Station Twelve's simos quartering from the left of the box showed varying speed and height, dropping quickly.

Station Fourteen was a toughie. A very fast rabbit quartering up the hill followed by a high fast chandelle, both from the right.

Station Sixteen also offered a rabbit and a chandelle, but this time the rabbit came across from the left with a lot of speed and some crazy bounces.

Station Seventeen was another true pair from out to your right, one high, one low, with a lot of spring and crossing paths. Another tough choice as to which one to try for first.

The scores: Congratulations to Bob Sager, with HOA of 89. Duane Knapp took Class 1 with an 88. Class 2 went to Mark Baltazar with 87. Class 3 winner was Richard Lindboe (82). Class 4 went to Ken Barile (74) and class 5 George Borello (74). High Guest was Jeff Mancini with a 76.

Median score for all shooters was 66. Medians for each class: 1 – 81; 2 – 76; 3 – 67; 4 – 48; 5 – 52. Vet1 honors went to Kurt Anderson, Vet2 to Jasen Jazensky, Lady to Lana Lenar and Junior to Alex Andioro.

The BBQ lunch was great: ribs, chicken, beans, macaroni salad and garden salad with air-conditioned indoor and outdoor seating.

Our thanks to Tom, Kathy Guarino, and the staff at St. Hubert's Lodge for a well-run shoot. Thanks also to Dean and Danielle Anglace for having everything run smooth.

If anyone has any comments or pictures they'd like to see included, please shoot me an email within a day or two after the shoot so I can immortalize your (or a buddy's) outstanding (or amusing) performance: editor@ctsca.org.

## **FALL TRIP 2015**

Bob Schrager

We're finally accepting the long-standing invitation of our sister club, the Keystone Ramblers, to visit them and enjoy what western Pennsylvania has to offer.

Columbus Day Weekend, October 9, 10 and 11, 2015, the Connecticut Travelers will travel to two of the most impressive resort/shooting facilities, Seven Springs and Nemaquin. Given the length of the drive (it's a little over five hours, presuming you don't stop off at Cabela's on the way), we plan on shooting all day on both Friday and Saturday and finishing up on Sunday morning. That gives you Sunday afternoon and Monday, Columbus Day, to work your way home (and maybe do a bit more shooting on the way home).

Friday, we are spending the day at The Shooting Academy at Nemaquin Woodlands Resort <http://www.nemaquin.com/activities/sporting-clays-pa> Featuring 35 sporting clay stations spread across

Name	Award	Score

three courses, towers and a five-stand pavilion with an integrated Wobble Trap Field, the course can challenge everyone. We will shoot one of the courses in the morning, have lunch in the Clubhouse and then shoot another course in the afternoon.

Saturday we spend the day at our base of operations, Seven Springs Mountain Resort <http://www.7springs.com/sporting-clays-at-seven-springs/> Rated one of the best facilities in the country, there are two challenging courses and a super sporting course that take advantage of the natural beauty of the surrounding Laurel Highlands. Again, we will shoot one course in the morning and the other course in the afternoon.

At both resorts we will be taking advantage of special member rates thanks to the Ramblers.

Sunday morning, we start for home with a stop at Buffer Creek Sporting Clays <http://www.buffercreeksportingclays.com> for some shooting on rolling fields and woodlands. I haven't been there but I understand from the Ramblers that we will find 16 stations with wireless Promatic traps and a really nice 5 stand.

Home for the weekend will be Seven Springs Mountain Resort. For those non-shooters in the group, Seven Springs offers many alternative activities including the Trillium Spa, a perfect place to relax, unwind and renew, or, for those that want a more active time, the Laurel Ridgeline Canopy Experience, fishing, swimming, an Alpine slide, horseback riding, a chairlift ride, and more. Dinners both Friday and Saturday will be at Seven Springs. We have a block of rooms reserved under the Ct. Traveler name at a special rate of \$179. We recognize that rate is a bit higher than usual. If you prefer to stay somewhere less expensive, in Donegal PA (about 20 minutes away) there is a Holiday Inn Express (724.593-1881) and a Days Inn (724.593.7536) with less expensive rates.

Columbus Day Weekend is a very busy time at Seven Springs given the opportunity for a longer weekend with excellent leaf peeping. Rooms fill up fast. If you haven't already made your reservation, stop waiting.

Attached is the meal/shoot reservation form. Please select your meals and choose your entrees. Then send in the form with a check payable to CTSCA.

If you are interested in carpooling or are willing to take someone with you, let me know (also whether you prefer to be a driver or passenger). I will keep a list and try to match you up.

If you have any questions, contact me, [robert@schrager.org](mailto:robert@schrager.org) or (if you must) 203.531.6930.
